Studio 182 (2009-Present)

A part of an International Development Team made up of members from around the world helping to create new and amazing software. All members are of high school age, and hope to demonstrate that you don't need to be a certain age to do amazing things.

- Joined the team in 2009
- Works on User Interface Design as well as marketing the team and the software created by Studio 182
- Plays a large role in decision making
- Works with the group on innovating new software ideas
- Worked with MLTI to produce their first software for educational purposes
- Working on latest project, "Voice" for schools in the MLTI program as well as schools around the country.

Extra-Curricular

- Member of School Drama since 2004
- Member of Future Business Leaders of America since 2009
- Member of National Honor Society since 2011
- Class President and Leadership Team Member

Awards

- Networking Concepts
- Management Information Systems

- Intro to Technology Concepts
- Computer Problem Solving
- Cyber Security
- Database Design and Application
- Digital Video Production
- One Acts Drama Sound Design
- One Acts Drama Special Commendation
- One Acts Drama Lighting Design
- Apple Inc. Recognition
- Student of the Month

Future Goals

In the future I see myself being a technology innovator where I am working to help create new technology that will effect an entire industry. Whether it deals with education, social networking, or communication, I want to make an impact on the world by using technology. I want to be able to help others before myself.

Community

- Asst. Leader in local Boy Scout Troop
- Active in Church Community creating newsletter and running sound/tech support for services
- Hundred of community service hours through Church and Scouts
- Board Member for China Lake Summer Camp
- Board Member for Baxter Academy for Technology and Science

MLTI

Collaborated with the Maine Learning Technology Initiative to help promote the use of technology in education. For more information about my involvement please contact: Jeff Mao, MLTI Policy Director, jeff.mao@maine.gov
